Article 12

PERFORMANCE REVIEW AND EVALUATION OF FACULTY

A. The process of FACULTY evaluation is perceived broadly as a means for extending opportunities for continuous professional development. The processes are intended to be supportive of a FACULTY MEMBER'S desire for continuing professional growth and academic excellence. With this orientation, FACULTY evaluation will be a contributor to the ongoing improvements of the academic programs of the UNIVERSITIES.

B. Categories for Performance Review and Evaluation

The following categories shall serve as the uniform system-wide basis for the evaluation of FACULTY MEMBERS at each University. The categories listed below shall be applied, as applicable, in the performance review and evaluation of temporary faculty, regular part-time faculty, probationary non-tenured faculty, tenured faculty and all applicants for promotion. Under each category are listed some examples of data upon which judgments can be made of the FACULTY MEMBER'S performance relative to a given category. When evaluating the data, the appropriate evaluator(s) shall give greater weight to the quality of the performance reflected in the data, than to the quantity of the data.

1. Effective teaching and fulfillment of professional responsibilities.

a. This will be indicated, when applicable, by such items as:

student evaluations, peer evaluations, classroom visitations, quality of syllabi, quality of student advisement, assessment of student learning outcomes, willingness to accept departmental work assignments, timely execution of work assignments, and any other data deemed appropriate and agreed to by the FACULTY and Administration at local meet and discuss.

b. Evaluation of teaching effectiveness and fulfillment of professional responsibilities will not be based on a single datum. A combination of all appropriate data will be used to give sufficient evidence for an overall judgment of teaching effectiveness and fulfillment of professional responsibilities.

c. For all FACULTY MEMBERS whose basic responsibilities lie outside the classroom, the duties and responsibilities of the position shall be the category instead of effective teaching.

d. For FACULTY MEMBERS with mixed work assignments, effective teaching and the duties and responsibilities of the position shall be evaluated under the terms of this Article.

2. Continuing scholarly growth.

This will be indicated, when applicable, by such items as:

peer reviewed contributions; development of experimental programs (including distance education); papers delivered at national and regional meetings of professional societies; regional and national awards; offices held in professional organizations; invitational lectures given; participation in panels at regional and national meetings of professional organizations; grant acquisitions; editorships of professional journals; participation in juried shows; program-related projects; quality of musical or theatrical performances; participation in one-person or invitational shows; consultantships; research projects and publication record; additional graduate work; contribution to the scholarly growth of one's peers; and any other data agreed to by the FACULTY and Administration at local meet and discuss.

3. Service: contribution to the University and/or community.

This will be indicated, when applicable, by such items as:

quality of participation in program, department, college, and University committees; APSCUF activity contributing to the governance of the University; development of new course(s) or program(s); training or assisting other FACULTY MEMBERS in the use of distance education technology; participation in University-wide colloquia; advising of student clubs and organizations; offices held in professional organizations; voluntary membership in professionally oriented, community based organizations reasonably related to the FACULTY MEMBER'S discipline; lectures and consultations; consulting with local and area agencies and organizations; and any other data agreed to by the FACULTY and Administration at local meet and discuss.

C. General Evaluation Procedures for Regular FACULTY MEMBERS

The following evaluation procedure shall apply to all regular FACULTY MEMBERS at each University.

1. a. Each department shall select a committee to assist in the evaluation function. The department evaluation committee shall consist of at least three (3) members, and shall exclude the department chairperson. The manner of selection shall be determined by the FACULTY MEMBERS in each department. If necessary, or desirable, as determined by the department or President or his/her designee, individuals from the same or within related disciplines, mutually acceptable to the FACULTY MEMBER, department and University, who are from outside the department or the UNIVERSITIES may be used in any or all parts of the evaluation process. Where a mutually acceptable individual cannot be agreed upon, the President or his/her designee shall provide the FACULTY

MEMBER and the department with a list containing the names of at least three (3) individuals who have the qualifications for the position held by the FACULTY MEMBER being evaluated. The FACULTY MEMBER shall have three (3) working days in which to select one individual from this list. If the FACULTY MEMBER fails to make a selection within the three (3) day period, the President or his/her designee, in consultation with the department chairperson and the department, shall designate one individual from this list to serve on the department evaluation committee. No FACULTY MEMBER shall serve on his/her own evaluation committee or as a member of the department evaluation committee for a member of his/her immediate family (spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law) or a person residing in the same household as the FACULTY MEMBER. Each department shall determine the rules and procedures under which the department evaluation committee will operate. Such rules and procedures shall be announced by the department prior to the commencement of the performance review and evaluation process.

b. The department evaluation committee shall utilize the following materials in preparation of its written evaluation and recommendation:

(1) Student evaluations in all classes during the fall semester of each the year of evaluation for tenured FACULTY, and twice each academic year in all classes for probationary non-tenured FACULTY. An instrument for student evaluation of FACULTY shall be developed by local APSCUF, the University management, and the appropriate student government body as designated by the President or his/her designee, and approved by local APSCUF and the University management at local meet and discuss. If, in any year, no approved procedure and/or instrument exists, the department chairperson shall administer a student evaluation. Reproduction and tabulation of the University-wide student evaluation instrument will be the responsibility of the University management.

(2) Peer evaluations by the department evaluation committee and the department chairperson, including evaluations of classroom visitation. There shall be at least two (2) such classroom visitations each semester by the department evaluation committee, and one (1) such classroom visitation each year by the department chairperson for all non-tenured FACULTY. For all tenured FACULTY in the year of evaluation, there shall be one (1) such classroom visitation each semester by the department evaluation committee and one (1) such classroom visitation during the year by the department chairperson. Prior to putting a classroom visitation evaluation in writing, there shall be a discussion of the observations with the FACULTY MEMBER. These evaluations shall not displace nor diminish the importance of other evidence of the degree to which the FACULTY MEMBER'S responsibilities have been met during the evaluation period. The department evaluation committee shall designate the manner in which peer evaluations will take place.

- (3) An updated copy of the FACULTY MEMBER'S vita.
 - (4) Any other pertinent data the FACULTY MEMBER wishes to submit (copies of articles published, letters from references, copies of grant applications, etc.).
 - (5) The evaluation process for FACULTY MEMBERS with work assignments outside of their department shall be conducted by the FACULTY in the unit where the work is performed and forwarded to the FACULTY MEMBER'S department for inclusion in his/her total evaluation.
 - (6) Other data which the department evaluation committee may deem pertinent.
- c.
- (1) The department evaluation committee shall provide the FACULTY MEMBER with a reasonable opportunity to discuss its evaluation after which the committee shall submit its detailed written evaluation and recommendation along with the above mentioned supportive materials to the appropriate Academic Dean with a copy to the FACULTY MEMBER and the department chairperson. The FACULTY MEMBER may, if he/she disagrees with the committee's evaluation, send to the Dean a written response to the department evaluation committee's evaluation.
 - (2) The department chairperson shall provide the FACULTY MEMBER with a reasonable opportunity to discuss his/her evaluation after which the chairperson shall independently send a written evaluation with recommendations to the appropriate Academic Dean. The chairperson's evaluation shall be based on his/her knowledge and personal observation of the FACULTY MEMBER'S performance, the results of the department evaluation committee's evaluation and recommendations and the materials submitted by the FACULTY MEMBER. The chairperson shall provide copies of his/her evaluation and recommendations to the FACULTY MEMBER and the department evaluation committee. No department chairperson shall provide a chairperson evaluation of himself/herself, or an evaluation of a member of his/her immediate family or a person residing in his/her household. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.
 - (3) The Dean shall provide a written performance review in accordance with this Article. The FACULTY MEMBER shall be provided with an opportunity by the Dean to discuss the performance review and such discussion shall be specific and detailed and clearly set

forth those areas of performance, if any, which require improvement. A copy of the draft performance review by the Dean shall be provided to the FACULTY MEMBER prior to discussion with the Dean. This review shall be based on the data supplied by the department evaluation committee, department chairperson and any other relevant and substantiated data gathered by the Dean. The Dean shall provide a copy of his/her performance review to the FACULTY MEMBER, the department chairperson, and the department evaluation committee. For FACULTY MEMBERS whose basic responsibilities lie outside the classroom, the appropriate management supervisor shall fulfill all responsibilities of the Dean listed in this Article. No Dean/management supervisor shall evaluate a member of his/her immediate family (spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law), or a person residing in his/her household. The President or his/her designee shall select another Dean/management supervisor as a substitute to provide the performance review.

2. The failure of a department, the department chairperson, or the department evaluation committee to carry out their duties and responsibilities shall not bar the President, the appropriate Academic Dean or other University management personnel from conducting, in good faith, the performance evaluation reviews nor from taking action to renew or non-renew a probationary non-tenured FACULTY MEMBER.

3. All evaluation reviews conducted by the President, appropriate Academic Dean, or other University management personnel shall be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only to the extent that the evaluation review was conducted in an arbitrary or capricious fashion. Action or inaction by the department, department chairperson or department evaluation committee with regard to the provisions of this Article shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

D. Evaluation of FACULTY MEMBERS Whose Basic Areas of Responsibility Lie Outside the Classroom

1. The evaluation procedures for such FACULTY MEMBERS will be the same as that outlined in Section C. of this Article. The written performance review will be provided to such FACULTY MEMBERS by the appropriate management supervisor.

2. Categories for the evaluation of such FACULTY MEMBERS shall be the same as for teaching FACULTY as set forth in Section B. of this Article, except that performance of duties as described in the official position description will be used in lieu of effective teaching. If such FACULTY MEMBERS also teach courses, the category for effective teaching shall also be evaluated.

E. Evaluation of FACULTY MEMBERS with Mixed Workloads

The evaluation of such FACULTY MEMBERS shall include evaluations of both

teaching duties and those responsibilities, which lie outside of the classroom, pursuant to the categories and procedures identified in this Article.

F. Evaluation of Probationary Non-Tenured FACULTY MEMBERS

A copy of each letter of appointment shall be sent to the local APSCUF President.

6. Should the University President or his/her designee decide not to renew a probationary non-tenured FACULTY MEMBER in the ~~third or~~ fourth year of probationary employment, who has been recommended by the department chairperson and the department evaluation committee, the FACULTY MEMBER shall have the right to grieve the non-renewal in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

Article 15

TENURE

A. Definition

Tenure shall mean the right of a FACULTY MEMBER to hold his/her position and not to be removed therefrom except for just cause as hereinafter set forth in this Article or except as provided elsewhere in this Agreement.

B. There shall be a probationary period of five (5) full academic years at the University (from the most recent date of appointment) for each FACULTY MEMBER. During the probationary period, the FACULTY MEMBER shall be observed and evaluated in accordance with the provisions of Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY. Only full-time employment at the University in a non-temporary position shall be counted in computing the probationary period, except that time spent in a temporary or regular part-time, temporary full-time or regular full-time position at any UNIVERSITY or any other regionally accredited four year institution of higher education may, on the recommendation of the department and the approval of the President or his/her designee, be counted toward the required probationary period. Any semester a probationary FACULTY MEMBER is on full leave from the University, with or without pay, will not be counted toward the required probationary period. No FACULTY MEMBER will be granted tenure unless he/she has met the minimum qualifications for the rank of assistant professor as set forth in applicable laws.

C. 1. Each University President shall, by October 1 (February 1 for FACULTY MEMBERS with January anniversary dates), send a notice to all fifth year probationers with copies to the appropriate department chairperson, Dean (or other manager), and Provost, notifying the fifth year probationer that he/she has until December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of that year to apply for tenure. By December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of the fifth year of the probationary period, a FACULTY MEMBER may apply for tenure. The request for tenure shall be submitted to the President, with a copy to the appropriate department. This request shall include a statement of the reasons why the FACULTY MEMBER believes he/she should be granted tenure. By May 31 (December 31 for FACULTY MEMBERS with January anniversary dates) of the fifth year of probationary employment, the President shall either grant tenure to the probationer or the probationer's sixth year of employment shall be a terminal year of employment.

2. If a fifth year probationary FACULTY MEMBER fails to apply for tenure, that probationer's sixth year of employment shall be a terminal year.

D. All present FACULTY MEMBERS who hold tenure as the result of procedures established at their respective UNIVERSITIES shall continue in that status.

E. The procedure for granting tenure shall be:

1. 1.—A department committee, which shall include tenured FACULTY

MEMBERS, if available, shall recommend to the University-wide tenure committee, elected by and from the FACULTY, the names of those eligible fifth-year probationary non-tenured FACULTY MEMBERS of the department who have applied for tenure and whom they consider to be qualified for tenure; provided, however, that the department chairperson shall make an independent recommendation to the University-wide tenure committee regarding those other than himself/herself who have applied for tenure. No FACULTY MEMBER shall serve on a departmental or University-wide tenure committee when he/she, or a member of his/her immediate family, or a person residing in his/her household is an applicant for tenure. No department chairperson shall make a recommendation regarding tenure for himself/herself, or a member of his/her immediate family, or a person residing in his/her household. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, if he/she is an applicant, or if any applicant is a member of his/her immediate family or a person residing in his/her household. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

If there is an insufficient number of tenured faculty members to serve on the department committee, the procedure identified in Article 12 C.1.a. shall be utilized to form the department committee.

2. The recommendation of the department committee and of the department chairperson shall be completed no later than February 15 (October 1 for FACULTY MEMBERS with January anniversary dates), and by that date, the department chairperson shall submit the full list provided by the department committee together with his/her recommendation, in writing, with respect to each applicant, to the University-wide tenure committee, and a copy of the full list including the recommendations shall be forwarded to the Dean (or other manager), Provost and the President. If the department committee or department chairperson fails to submit a recommendation to the University-wide tenure committee by the appropriate date, the applicant may submit the application and the supporting material directly to the University-wide tenure committee.

3. a. The Dean (or other manager) shall submit a detailed recommendation for tenure to the University-wide tenure committee, with a copy to the Provost and the President, no later than March 1 (October 15 for FACULTY MEMBERS with January anniversary dates).

b. Following the Dean's (or other manager's) recommendation, the Provost shall submit a detailed recommendation to the University-wide tenure committee, with a copy to the President, no later than March 15 (November 1 for FACULTY MEMBERS with January anniversary dates).

43. The University-wide tenure committee, which shall consist of tenured FACULTY

MEMBERS, shall review all tenure applications and recommendations received pursuant to this Article and shall, by ~~April-May~~ 1 (November-December 1 for FACULTY MEMBERS with January anniversary dates), submit its recommendations (positive and negative) with a detailed rationale for each recommendation, together with the data upon which those recommendations are based, to the President ~~or his/her designee~~. Each applicant for tenure shall have the right to request and make an appearance before the University-wide tenure committee to speak on his/her own behalf, before the committee submits its recommendations to the President ~~or his/her designee~~.

54. The President shall grant tenure effective as of the beginning of the next academic term to those FACULTY MEMBERS whom he/she approves and such decisions shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION. However, if at least two (2) three (3) of the three (3) five (5) recommendations (department committee, University-wide committee, department chairperson, dean (or other manager), provost) are positive with respect to the granting of tenure and the President denies tenure, the FACULTY MEMBER shall have the right to grieve the denial of tenure in accordance with the terms of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION. The burden of proof shall rest with the FACULTY MEMBER to prove by clear and convincing evidence that the decision to deny tenure was arbitrary and capricious. [Note: This proposal confirms the parties arbitral history related to burden of proof.]

65. The President shall notify in writing each eligible FACULTY MEMBER, who applied for tenure in accordance with the above, of either the positive or the negative decision made with respect to the granting of tenure. The President shall make his/her decision by May 31 (December 31 for FACULTY MEMBERS with January anniversary dates). In the event that the President does not grant tenure to a FACULTY MEMBER who has been so recommended by the University-wide tenure committee, the reasons therefore shall be given to such committee and the affected FACULTY MEMBER(S), if requested in writing.

76. The President shall act independently if the committee(s) fails to act within the time limits specified. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to tenure is not grievable and will not bar the President from taking actions he/she deems to be either appropriate or required.

87. Representatives of local APSCUF shall have the right to meet with the department and University-wide tenure committees for the purpose of explaining the duties and responsibilities of committee members.

- F. 1. A tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined only for just cause. In the event the President believes such just cause exists, he/she shall give written notice, specifying the reasons, to the affected FACULTY MEMBER and APSCUF, and that FACULTY MEMBER shall have the right to grieve solely by means of and in compliance with all provisions of the procedure provided for in Article 5, GRIEVANCE

PROCEDURE AND ARBITRATION.

This subsection does not apply to non-renewal actions.
- G.
1. If a REGULAR FACULTY MEMBER is terminated and a grievance is filed contesting the termination, all pay and benefits shall continue for a period of ninety (90) days from the effective date of termination, which date shall be determined solely by the President in his/her discretion. At the end of this ninety (90) day period all pay shall cease; all benefits likewise shall cease, with the exception of life insurance, hospital and medical coverage, and health and welfare benefits, which shall continue until the date the grievance is resolved or the date the arbitration decision is issued on the grievance, whichever occurs first.
 2. The President, in his/her sole discretion, may extend the termination date of a FACULTY MEMBER and may assign the FACULTY MEMBER the same or other academic or administrative duties if the President in his/her sole discretion determines that such assignment will not be detrimental to the operation of the University. The FACULTY MEMBER may, at the President's sole discretion, be offered these same or other duties and may continue on the payroll of the University.
 3. If a terminated FACULTY MEMBER contests his/her termination by filing a grievance, such grievance will be handled in an expeditious fashion in the steps of the grievance procedure. If the grievance is not resolved by the third step of the grievance procedure and APSCUF requests that the grievance be submitted to arbitration, the parties will make a good faith effort to schedule the grievance for hearing before an arbitrator within ninety (90) days, or sooner if possible, of the date the request for arbitration is received by the STATE SYSTEM/UNIVERSITIES.
- H. If a REGULAR FACULTY MEMBER is suspended pursuant to this Article, all benefits, including but not limited to hospital and medical insurance, life insurance, and health and welfare benefits, shall be continued for the duration of the suspension.

2. A President may grant tenure to a new or current Provost or Academic Dean, who had previously obtained tenure at a regionally accredited four year institution, after submission of the name of the applicant(s) for tenure to the department's full-time regular FACULTY MEMBERS for a credential review and tenure recommendation.
3. New or current Provosts or Academic Deans, who had not previously obtained tenure, may be assigned to an academic department with academic rank by the President. In the event the individual is transferred to the bargaining unit by the President, he/she shall have the status of a probationary FACULTY MEMBER.
4. The President's decision to grant tenure to a Provost or Academic Dean shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.
5. The following positions shall be eligible for tenure under this provision: the Chief Academic Officer of a UNIVERSITY, Deans of Schools or Colleges of a UNIVERSITY, and Graduate School Deans. New positions shall be eligible with the agreement of APSCUF and the STATE SYSTEM.
6. During the term of this Agreement, the STATE SYSTEM agrees not to retrench a FACULTY MEMBER teaching in a department where a Provost or Academic Dean has been placed into a bargaining unit vacancy, where the retrenchment is the direct result of the Provost's or Academic Dean's placement.

J. A President may grant continuation of tenure to managers other than those noted in Section I. above, who are appointed to management positions directly from their tenured faculty positions within the University. Appendix C, Section L., related to seniority applies.

pay status. Sick leave usage shall be charged for each day of absence in a week during which the FACULTY MEMBER is in an active pay status on the basis of a five (5) day week, regardless of a FACULTY MEMBER'S work schedule in that week except for part-time FACULTY MEMBERS as identified in subsection 2 below. Sundays, holidays and vacation periods shall not be charged to sick leave.

The actual days to be granted shall be such as will accommodate the reasonable needs of the FACULTY MEMBER involved, and it is expected that his/her classes or other responsibilities will be covered by his/her colleagues.

8. Where sickness in the immediate family requires the FACULTY MEMBER'S absence from work, FACULTY MEMBERS may use not more than five (5) days of sick leave entitlement in each calendar year for that purpose. Unless granted an exception by the President or his/her designee, immediate family is defined as the husband, wife, domestic partner, child, or parent, of the FACULTY MEMBER or child of the FACULTY MEMBER'S domestic partner. A leave of absence for a period not to exceed eighteen (18) University calendar weeks with full pay in accordance with current scheduling practice, or a leave of absence for a period not to exceed thirty-six (36) University calendar weeks with half pay, in accordance with current scheduling practice, for restoration of health, study, travel, or other appropriate purposes, may be requested by a FACULTY MEMBER and may, at the discretion of the President or his/her designee, be granted to any FACULTY MEMBER of any University who has submitted a request for consideration for a sabbatical leave and who has completed seven (7) or more years of satisfactory service as a FACULTY MEMBER of one (1) or more of the UNIVERSITIES, as specified below. Library FACULTY MEMBERS who were granted ACADEMIC FACULTY rank shall accrue credits towards sabbatical leave only from the date the ACADEMIC FACULTY rank was granted. Sabbatical leaves granted after March 20, 1997, will be based primarily upon merit. Unused sabbatical leave credit may be considered in the selection process.

2. At least five (5) consecutive years of such service shall have been rendered to the University from which the leave is sought. A FACULTY MEMBER who has been granted an approved leave without pay shall not be deemed to have had his/her consecutive service interrupted; provided, however, that time spent on such leave shall not count as service toward a sabbatical leave nor towards the accumulation of sick leave.

3. If the University operates on a system of units other than semesters, the FACULTY MEMBER may, at his/her option, be granted a sabbatical leave corresponding to one (1) or more of these units so long as the restriction set forth in subsection 1. above, concerning total weeks of sabbatical leave which can be granted in each such leave, is met.

4. One (1) sabbatical leave may be requested, considered and granted in accordance with the procedures set forth in this Article for each additional seven (7) years of service. Leaves shall be accumulated so that no one shall lose entitlement to consideration for a sabbatical leave because of failure to use leave due to scheduling practices at a particular University, but no one shall be entitled to be considered for or use more than thirty-six (36) weeks of the accumulated leave as part of any one (1) sabbatical leave.

5. No FACULTY MEMBER who resigns, or who is retrenched, terminated, or for any other reason leaves employment with the STATE SYSTEM/UNIVERSITIES shall be entitled to request or be considered for the grant of a sabbatical leave. Where a FACULTY MEMBER has requested, been considered for, been granted and scheduled for a

sabbatical leave in accordance with provisions of Section F.1. of Article 29, RETRENCHMENT, and that FACULTY MEMBER thereafter receives a notice of retrenchment in accordance with the terms of that same Article, the FACULTY MEMBER will be entitled to be returned to his/her former position but only for that period of time which precedes the effective date of the retrenchment. Nothing in this Agreement shall prevent the STATE SYSTEM/UNIVERSITIES from providing FACULTY MEMBERS who are on approved sabbatical leaves with notice of retrenchment in accordance with Article 29, RETRENCHMENT.

6. No sabbatical leave of absence shall be considered a termination or breach of the contract of employment and the FACULTY MEMBER on sabbatical leave shall be returned to the same position he/she occupied prior thereto.

7. If a FACULTY MEMBER is granted a sabbatical leave during two (2) summer periods the FACULTY MEMBER shall receive five (5) bi-weekly checks for each of the two (2) summer periods. However, a FACULTY MEMBER granted such a sabbatical leave shall not be eligible for a summer school contract.

8. Every FACULTY MEMBER while on sabbatical leave of absence shall be considered to be in regular full-time daily attendance in the position from which the leave is being taken during the period of said leave, for the purpose of determining the FACULTY MEMBER'S length of service and the right to receive increments as provided by law or contract.

9. Every FACULTY MEMBER on sabbatical leave shall retain the right to make contributions as a member of the State Employees' Retirement System, the Public School Employees' Retirement System, or an Alternative Retirement Plan (see Article 20.C.) and continue his/her membership therein.

10. Nothing in this Section shall be construed to prevent any FACULTY MEMBER on sabbatical leave from receiving a grant for further study from any institution of learning other than the University, which employs him/her.

11. Each University may grant sabbatical leaves of absence in any one (1) year to up to ~~seven percent (7%)~~ three percent (3%) of its FACULTY. [Note: The parties intend to abolish the parties arbitral history in the Myron L. Joseph decision dated June 3, 1990, AAA Case No. 12 390 1682 89 Q]

law, brother, sister, brother-in-law or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, when he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

b. The committee shall review applications and forward the full list of applicants, with such recommendations, in priority order, to the President or his/her designee at least eight (8) months before the leave is to commence.

d. As authorized by law, the President or his/her designee of each University shall have the right to consider requests for and make the determination concerning the granting of sabbatical leaves as he/she in his/her sole discretion deems appropriate and to make such regulations as he/she may deem necessary to make sure that a FACULTY MEMBER on sabbatical leave utilizes such leave properly for the purpose for which it was granted, including requiring reports from the FACULTY MEMBER in such manner as the President or his/her designee may deem necessary.

~~e. (1) An individual FACULTY MEMBER shall have the right to grieve, in accordance with the procedures of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, sabbatical leave decisions but only as to himself/herself and then only with respect to failure to observe the specific procedures set forth above.~~

I. 1. A retrenched FACULTY MEMBER who receives an appointment at another University within his/her furlough period shall, if he/she did not have tenure at the University from which he/she was retrenched, be required to comply fully with the provisions of Article 15, TENURE, at the receiving University as a new FACULTY MEMBER. If he/she had tenure at the University from which he/she was retrenched, then he/she will be granted tenure at the receiving University.

In addition, the STATE SYSTEM shall continue group life insurance coverage for a retrenched FACULTY MEMBER for a period of six (6) months or until permanent employment begins, whichever comes first, if the group life insurance vendor agrees to make this coverage available for retrenched FACULTY MEMBERS at group rates; if the group life insurance vendor does not agree to this extension of coverage, the STATE SYSTEM shall not be required to provide this additional benefit to retrenched FACULTY MEMBERS.~~ At the University where retrenchment is occurring, no new FACULTY MEMBER will be hired to fill a vacancy for which a retrenched FACULTY MEMBER on the preferred rehiring list is qualified, as determined by the President of the University, or his/her designee, in his/her sole discretion, based upon the appropriate qualifications for the approved position as recommended by the department and approved by management and as documented in the position description, unless the vacancy first is offered in writing to all such qualified FACULTY MEMBERS on that list, for recall in reverse order of placement. Such offer (which shall be made by registered mail to the last known address of the FACULTY MEMBER and to APSCUF) to qualified FACULTY MEMBERS shall remain open for a period of fifteen (15) calendar days. During the period that a FACULTY MEMBER is on a preferred rehiring list, he/she shall keep the University from which he/she was retrenched and the Chancellor informed of any permanent or temporary change in his/her address. In the event a FACULTY MEMBER rejects in writing an offered position in accordance with the foregoing, or in the event he/she does not respond in writing within said fifteen (15) calendar day period, his/her name shall be passed over, but he/she shall remain on the preferred rehiring list. If a FACULTY MEMBER either rejects in writing two (2) offered full-time positions of one (1) year or more or fails to respond in writing within the above stated time limits to two (2) offered full-time positions of one (1) year or more, his/her name shall be removed from the preferred rehiring list and all preference rights under this Article shall cease. Part-time FACULTY MEMBERS shall have recall rights only with respect to part-time positions but shall be considered for full-time positions in accordance with Article 11, APPOINTMENT OF FACULTY.

K. In the event a FACULTY MEMBER is recalled in accordance with the provisions of Section J. above, he/she shall receive the same rank and step which he/she had when he/she was retrenched. In addition, he/she shall retain all sick leave accumulations, credits for tenure or tenure status and credits for sabbatical leave, and shall be entitled to repurchase past service credits for retirement in accordance with COMMONWEALTH regulations. Furthermore, he/she shall not be considered a new employee for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement.

L. If a program at one (1) University is moved to another University, whether or not a similar program existed at that other University, FACULTY MEMBERS who receive appointments at the other University with respect to that program will be considered as having been transferred and not retrenched. As such, the FACULTY MEMBERS affected shall be entitled to all rights and privileges of transferred employees, including transportation and moving expenses, subject to STATE SYSTEM/UNIVERSITIES rules and regulations pertaining thereto.

Such transferred employees shall not be reduced in rank or step.

M. The University shall, on or before November 1 of each year, provide the local APSCUF President and state level APSCUF with a seniority list for each University. In addition, a copy of such list shall be sent to the department chairperson for posting in each department. All such lists shall reflect each FACULTY MEMBER'S most recent date of appointment at the University (first day on the payroll) and within his/her current department.

Positions on such list shall be considered final unless a question is raised with respect thereto by an individual FACULTY MEMBER within a period of sixty (60) days from the date of delivery of the list to APSCUF. The seniority list shall be compiled according to the seniority agreement between the STATE SYSTEM and APSCUF.

N. 1. If an arbitrator should find that the meet and discuss requirements of this Article have been violated by management, the arbitrator's remedy shall be limited to ordering additional meet and discuss between the parties, and the arbitrator may not insert himself/herself into that process. If an arbitrator should find that a FACULTY MEMBER was improperly retrenched, the arbitrator's remedy shall be limited to determining whether or not reinstatement is appropriate and whether or not full or partial back pay, seniority and fringe benefits should be awarded.

HEALTH AND WELFARE

A. A jointly-administered Health and Welfare Fund has been established under the provisions of an Agreement and Declaration of Trust executed by and between APSCUF and the STATE SYSTEM/UNIVERSITIES. This Health and Welfare Fund shall conform to all existing and future federal and Commonwealth statutes and regulations controlling such Health and Welfare Funds. Said Agreement and Declaration of Trust provides and shall continue to provide equal representation on the Board of Trustees by and between APSCUF and the STATE SYSTEM/UNIVERSITIES.

B. The Board of Trustees of the Health and Welfare Fund shall determine at their discretion and in accordance with the terms of this Agreement and the terms of the Agreement and Declaration of Trust, health and welfare benefits which may be extended by the Health and Welfare Fund to FACULTY MEMBERS, ~~their spouse/domestic partner,~~ and their eligible dependents.

The STATE SYSTEM shall remit its contributions, together with an itemized statement, to the Health and Welfare Fund on a biweekly basis during the 20 pay periods in which faculty salaries are paid.~~

~~21. Effective July 1, 2013~~ For the term of this agreement, the STATE SYSTEM shall pay an annual amount to the Health and Welfare Fund of ~~\$1,131.40~~ 1,125.74 for each full-time FACULTY MEMBER in an active pay status. ~~32. The biweekly contribution rate shall be \$53.875~~ 56.287 (increased to \$56.57 as of July 1, 2013) for each full-time FACULTY MEMBER in active pay status. The rate for part-time FACULTY MEMBERS shall be proportionate to the percent of the regular workload assigned to the FACULTY MEMBER. For example, the rate for a FACULTY MEMBER employed half-time shall be one-half of the rate for a full-time FACULTY MEMBER.

~~34. Beginning with the first full pay period for the academic year, the STATE SYSTEM shall determine the number of full-time FACULTY MEMBERS in active pay status during that pay period and contribute \$53.875~~ 56.287 (increased to \$56.57 as of July 1, 2013) for each full-time FACULTY MEMBER. The STATE SYSTEM also shall make contributions for all faculty wage hours reported for the pay period at the rate of ~~\$.718~~ 750 (increased to 0.754 as of July 1, 2013) per hour.

54. The STATE SYSTEM shall remit biweekly contributions to the Health and Welfare Fund within fourteen (14) days of the last day of the pay period for which contributions were calculated.

2. All benefits extended by this Health and Welfare Fund must be designed to be excludable from the "regular rate" definition of the Fair Labor Standards Act.

3. The Trustees of the Faculty Health and Welfare Fund shall determine whether federal law requires that FACULTY MEMBERS must be permitted to opt out of the benefits provided under the Fund and/or whether FACULTY MEMBERS must contribute toward the cost of Fund benefits, via payroll deduction or through other means, in order to maintain the excepted status of the benefits. If the Trustees determine that FACULTY MEMBERS must be permitted to opt out of Fund benefits, the Trustees shall establish procedures for electing to opt out of such benefits. If the Trustees determine that employee contributions are legally required, the Trustees shall determine the amount of such contributions, provided, however, that the amount shall not exceed the greater of the minimum amount required by federal law necessary to preserve the excepted status of the benefits or five dollars (\$5.00) per year.

4. No dispute over a claim for any benefits extended by this Health and Welfare Fund shall be grievable or in any fashion subject to any grievance and arbitration procedure established in any collective bargaining agreement between the STATE SYSTEM/UNIVERSITIES and APSCUF.

F. It is expressly agreed and understood that the STATE SYSTEM/UNIVERSITIES do not accept, nor are they in any manner to be charged with hereby, any responsibility connected with the determination of benefits for, nor with any liability to, any FACULTY MEMBER claiming under any of the benefits extended by the Health and Welfare Fund. It is expressly agreed that the liability of the STATE SYSTEM/UNIVERSITIES in any and every event with respect to benefits extended by the Health and Welfare Fund shall be limited to the contributions indicated under Sections C. and D. above.

E. Curriculum Committee

1. There shall be a curriculum committee at each University, which shall be selected as determined by the FACULTY, but which may include at least one (1) administrator if designated by the President. Each campus shall establish processes and procedures for recommending curricular action (including but not limited to guidelines on program review, program and course initiation, class size, and similar recommendations), which shall be developed and approved at local meet and discuss. Said processes and procedures will be reviewed by State Meet and Discuss to insure each university is in compliance with this provision. Current curriculum committee agreements/curricular procedures or policies shall remain in effect unless renegotiated consistent with this Section. Nothing in this Section shall be interpreted as invalidating or limiting any existing or future local curriculum committee agreement, with regard to matters not specifically addressed herein. Local APSCUF Chapters and Universities retain the authority to establish by local agreement the procedures and authority of the curriculum committee, so long as the agreement does not violate a specific provision of this Section.

2. Recommendations of the curriculum committee shall be transmitted to the President or his/her designee for approval or disapproval. The President or his/her designee shall respond within 30 days. The President's or designee's disapproval of a

Article 34

INTER-UNIVERSITY TRANSFERS

A. — Among other purposes, it is the intent of this Article to assist in alleviating potential staffing problems at the UNIVERSITIES by providing for the voluntary transfer of FACULTY MEMBERS among the UNIVERSITIES. It is specifically understood that the provisions of this Article are intended to deal solely with inter-University transfers and that they do not convey any other powers to the STATE SYSTEM/UNIVERSITIES that it does not already have. The terms of this Article shall not apply to a FACULTY MEMBER who has been retrenched from his/her University. When a FACULTY MEMBER has been retrenched, the provisions of Article 29, RETRENCHMENT, shall apply.

B. — 1. — When the Chancellor becomes aware of the possible need for transfers, he/she shall take appropriate steps to determine the availability of vacant FACULTY positions within the STATE SYSTEM that might be filled through the transfer of FACULTY MEMBERS and shall notify all UNIVERSITIES within the STATE SYSTEM of the existence of such vacancies and of the qualifications required of candidates for the positions.

2. — The Presidents of the UNIVERSITIES shall take steps, in accordance with Sections B.3., B.4. and C. below, to provide the Chancellor with the names and qualifications of FACULTY MEMBERS who could be considered for transfer if the President of a University determines that there may be a need to alleviate staffing problems.

3. — The President of a University from which transfers are contemplated shall, after notifying the Chancellor in accordance with Section B.2. above, request the department, program or administrative unit from which transfers are contemplated to provide written recommendations to the President regarding the effect of transfers on the quality and extent of existing programs. These recommendations shall be provided to the President within fourteen (14) calendar days of the request.

4. — The President, taking into account the recommendations made in accordance with Section B.3. above, shall then determine, as provided in Section C. below, the number of FACULTY MEMBERS who could be transferred from a department, program or administrative unit and shall forward the names and qualifications to the Chancellor with the request that they be considered for transfer to other UNIVERSITIES.

5. — Upon receipt of the names and qualifications as provided in Section B.4. above, the Chancellor shall make a reasonable effort to transfer the FACULTY MEMBER(S) to an available position at another University in accordance with Section C. below.

C. — 1. — With respect to the application of Sections B.3. and B.4. above, to ACADEMIC FACULTY, consideration for transfers shall be by program or department, in inverse order of length of service from the most recent date of employment at the University

~~("seniority"), provided that the remaining ACADEMIC FACULTY MEMBER(S) in the department or program have the necessary qualifications in the opinion of the President to teach the remaining courses or perform the remaining duties. It is understood by the parties that such University-wide seniority is to be applied within the affected program or department in order to determine which FACULTY MEMBER(S) within the program or department is (are) to be considered for transfer.~~

~~2. With respect to the application of Sections B.3. and B.4. above, to ADMINISTRATIVE FACULTY, consideration for transfer shall be by program, department or affected administrative unit in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS in the department, program or administrative unit have the necessary qualifications in the opinion of the President to perform the remaining duties. It is understood by the parties that such University-wide seniority is to be applied within the program, department or administrative unit in order to determine which ADMINISTRATIVE FACULTY MEMBER(S) within the program, department or administrative unit is (are) to be considered for transfer.~~

~~3. The transfer of the FACULTY MEMBER(S) shall be made by department, program or administrative unit in order of length of service from the most recent date of employment at the University ("seniority"), so long as the FACULTY MEMBER with the greatest seniority who is available for transfer has the necessary qualifications to perform the duties of the available position at the receiving University. The decision as to whether the FACULTY MEMBER(S) being considered for transfer has (have) the necessary qualifications to perform the duties of the available position at the receiving University shall be made by the President of the receiving University. If the most senior of those FACULTY MEMBERS being considered for transfer from the department, program or administrative unit does not have the necessary qualifications to perform the duties of the available position, the next most senior FACULTY MEMBER being considered for transfer who has the necessary qualifications will be transferred.~~

~~D. The President of the receiving University may make the appointment at any step within the rank held by the transferred FACULTY MEMBER which the President deems appropriate.~~

~~E. The following procedure shall be utilized in the transfer process for FACULTY MEMBERS:~~

~~1. When a FACULTY MEMBER is transferred, the regular full-time FACULTY MEMBERS of the receiving University department shall have the right to determine by a simple majority vote the acceptability of the FACULTY MEMBER being transferred. Such vote shall be taken in accordance with the accepted voting practice or procedure of the affected department unless it is in conflict with this Agreement, in which case the procedure shall be revised to conform with this Agreement.~~

~~2. The initial vote on acceptability by the receiving department shall be held before the end of the semester immediately prior to the semester in which the transfer is to be effective. This vote shall be held and the results determined in sufficient time to allow~~

~~the President of the receiving University to notify the FACULTY MEMBER being considered for transfer of the results of that vote at least forty-five (45) days before the end of the semester in which the vote is taken. The FACULTY MEMBER being considered for transfer shall notify the Presidents of both the current University and the receiving University of his/her acceptance or rejection of the transfer within ten (10) days of the receipt of the results of the vote or at least thirty-five (35) days before the end of the semester in which the vote is taken, whichever comes first. A reasonable effort shall be made to insure that the FACULTY MEMBER is given the full ten (10) days in which to make his/her decision to accept or reject transfer. Failure by the FACULTY MEMBER to notify the Presidents of the Universities involved of his/her decision on acceptance or rejection by the end of the ten (10) day period shall be considered a rejection of transfer. The time limits of this subsection may in individual cases be modified by mutual agreement, in writing, of the parties to this Agreement. The acceptance of a transfer by a FACULTY MEMBER shall be final and binding and shall preclude any right of return to the former University by that transferred FACULTY MEMBER.~~

~~3. The department of the receiving University shall have the following options in considering and voting on the acceptance of the FACULTY MEMBER proposed for transfer into the department:~~

~~a. The department can approve the transfer of the FACULTY MEMBER into its department. Upon such approval and acceptance of the transfer by the FACULTY MEMBER under consideration, the transferred FACULTY MEMBER shall be received into the department and University. If the FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University and he/she shall receive University-wide seniority credit at the receiving University of three (3) years or, where the President and the receiving department agree, additional University-wide seniority may be granted, up to the full amount accrued at the former University. A probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure but shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University. Sabbatical leaves shall be granted, and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement; or~~

~~b. The department may provisionally approve the transfer of the FACULTY MEMBER into its department. Transfers, which have been given provisional approval by the department, shall be for an interim period of one academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to fully accept the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first~~

~~interim academic year, the President of the receiving University shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving University after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year: A tenured FACULTY MEMBER shall receive University-wide seniority credit of three (3) years at the receiving University or, where the President and the receiving department agree, additional University-wide seniority may be granted up to the full amount accrued at the former University; and, a probationary non-tenured FACULTY MEMBER shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University; or~~

~~e.—— The department may reject the transfer of the FACULTY MEMBER into its department. Although the department has voted to reject the FACULTY MEMBER being considered for transfer, the President of the receiving University may at his/her discretion, and where he/she believes that the FACULTY MEMBER being considered for transfer meets the credential requirements of the available position, convert the rejection to a provisional approval. Where the President converts the rejection to a provisional approval, the transfer shall be for an interim period of one (1) academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to accept fully the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving University shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving University after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article~~

~~18, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year, a tenured FACULTY MEMBER shall receive University-wide seniority credit of three (3) years at the receiving University or, where the President and the receiving department agree, additional University-wide seniority may be granted, up to the full amount accrued at the former University; and, a probationary non-tenured~~

~~FACULTY MEMBER shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University.~~

~~F. — When FACULTY MEMBERS are transferred in accordance with the above provisions, the Chancellor shall require the FACULTY MEMBER to change his/her residence from one place in Pennsylvania to another place, and the FACULTY MEMBER shall receive the expenses of moving his/her household goods to his/her new residence in accordance with applicable STATE SYSTEM rules and regulations.~~

~~— Where the FACULTY MEMBER meets the above requirements for payment of moving expenses, it is understood that the move by the FACULTY MEMBER shall be made within six (6) months, and the request for payment of moving expenses will be made no later than six (6) months from the date of acceptance of the transfer. Moving expenses shall be paid by the University from which the transfer occurs.~~

~~G. — Where a FACULTY MEMBER transfers from a University within the STATE SYSTEM to a different University within the STATE SYSTEM for personal reasons or reasons other than those set forth in Section B.2. above, only Sections D. and E. of this Article will apply.~~

~~H. — An individual FACULTY MEMBER who is transferred for the purposes set forth in Section B.2. above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in Sections A. through F. above. A FACULTY MEMBER who is transferred for personal reasons or reasons other than those set forth in Section B.2. above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in Sections D. and E. above.~~

~~I. — Upon the request of either of the parties to this Agreement, the parties shall meet and discuss aspects of this Article that are of mutual interest.~~

A. Preamble

1. The purpose of distance education is to ~~increase accessenrich~~ and ~~to increase~~ the availability of the curriculum offerings of the STATE SYSTEM/UNIVERSITIES. ~~The purpose of the parties in adopting this Article is to expand the curriculum offerings of the STATE SYSTEM/UNIVERSITIES, and to promote access to these offerings.~~

2. ~~—The parties agree that the method of classroom instruction with the FACULTY MEMBER and the traditional residential and commuter students in the same room provides the best opportunity for a quality educational experience. Distance education is not intended to diminish that experience.~~

3. ~~—During the term of this Agreement, the STATE SYSTEM agrees not to retrench a FACULTY MEMBER teaching in a department where distance education is being used, when retrenchment is a direct result of distance education. This sub-section applies only to the University at which the retrenched FACULTY MEMBER is employed.~~

4.2. Distance education is a part of the approved curriculum and evaluated pursuant to Section F.

B. Definitions

1. Distance Education

a. Distance Education is an educational process in which the instruction occurs with the instructor and student in different locations. Distance Education makes use of one or more technologies including web-conferencing to deliver 100% of the instruction for the course to students who are separated from the instructor and to support interaction between the students and the instructor synchronously or asynchronously. ~~defined as instruction where the FACULTY MEMBER(S) and the student(s) are separated geographically so that face-to-face communication is absent; communication is accomplished instead by one or more technological media. This linkage with technology allows real time or delayed interaction using voice, video, data and/or text. Examples of technological methods that can be used singly or in combination include live or recorded visual presentations and material using direct signal or cable transmission by telephone line, fiber optic line, video conferencing using compressed video, digital, and/or analog video, audiotape, CDROM, computer or internet technology, email, or other electronic means now known or hereafter developed, utilized to teach any course approved by one of the STATE SYSTEM UNIVERSITIES.~~

Online/web-based is the delivery of instruction synchronously or asynchronously.

ITV - Interactive Television (compressed video) is the delivery of instruction by two-way synchronous audio and video among two or more geographically-separated locations.

a. For purposes of compensation, ~~online/web-based~~ distance education courses must have one hundred eighty percent (80%)(100%) of the course instruction delivered online or via ITV. In-person and/or proctored exams and field experiences are excluded when determining whether the distance education course is being delivered one hundred percent (100%) online or via ITV.

~~b. — Distance education does not include the use of movies, filmstrips, videotapes, computers, and their related technologies, or other forms of aural or visual recordings, to the extent that they are used as part of course instruction, by a FACULTY MEMBER who is in the same classroom as the students. However, where a FACULTY MEMBER is in the same classroom as the students, but simultaneous transmission of some form occurs to students in other off campus locations, this Article shall cover both the FACULTY MEMBER in the classroom as well as the education of students at the off campus location. In addition, distance education shall not include instruction at multiple locations on the same campus.~~

2. Home Site

Home site means the site at which the distance education originates. There may be more than one (1) home site for a distance education course, if more than one (1) FACULTY MEMBER is involved. ~~The site at which a distance education course is recorded or otherwise stored for later transmission or replay shall be deemed a home site.~~

3. Remote Site

A remote site is any site physically separate from the home site at which a distance education course is received. There may be more than one (1) remote site for a course. ~~If a course, which is recorded or otherwise stored for later replay, is replayed at the same site at which it was recorded, this site shall be the home site for recording purposes and the remote site for replay purposes.~~ Individual website users shall not be considered individual remote sites.

4. Originating FACULTY MEMBER(S)~~d~~

The originating FACULTY MEMBER(S) may be one (1) or more FACULTY MEMBERS who develop and teach a distance education course.

5. Instructor of Record

For credit-bearing University courses, the instructor of record is the FACULTY MEMBER(S) who has the task of grading students and otherwise supervising the offering of a distance education course. In no event shall a person who is not a FACULTY MEMBER be the instructor of record, except as provided for under Article 7, PERFORMANCE OF BARGAINING UNIT WORK.

C. FACULTY Participation

1. Except where specifically stated in a letter of appointment for a FACULTY MEMBER describing his/her job expectations, teaching through distance education technologies shall be voluntary. The assignment of distance education courses to those faculty members who volunteer to teach through distance education shall be made in accordance with Article 6, Section A.1 of this agreement.

2. Prior to teaching a distance education course, University officials may require FACULTY MEMBERS identified in C.1. to complete appropriate training in distance education instruction or the use of a technology. A FACULTY MEMBER may suggest appropriate distance education training in consultation with his/her department and will be subject to approval by the appropriate University official(s).

3. The STATE SYSTEM shall encourage FACULTY participation in the distance education planning process. The STATE SYSTEM has established a Distance Education Advisory Committee and APSCUF may appoint three (3) APSCUF representatives to this committee or its successor.

D. Technical and Instructional Support

1. The University shall assure the availability of technical support professional(s) and instructional design professional(s) and materials appropriate to the principal technology and consistent with the FACULTY MEMBER'S prior training and experience. ~~Effective Fall, 2014, failure of a University to provide such technical support and instructional design professional(s) shall result in continuation and/or restoration of development and redevelopment fees for FACULTY MEMBERS teaching online/web-based courses and ITV/compressed video courses taught at that University in accordance with Section H.6. and 7., below. In Universities that provide such technical support and instructional design professional(s), d~~Disputes concerning the sufficiency or adequacy of the support provided shall be presented, in the first instance, for resolution at local meet and discuss. If the issue is not resolved at local meet and discuss, a grievance may be initiated under Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

2. The University shall assure the means for students at remote sites to interact with FACULTY MEMBER(S) (e.g. site visits, voice mail ~~boxes~~, e-mail, ~~fax~~ and other technological methods of communication).

3. The University shall insure that textbooks and other course materials are available to students at remote sites. Additionally, arrangements shall be made for library access, either through technology or physical access, as appropriate.

2. In accordance with Article 31E, Nnew credit bearing courses, which may be offered through distance education, must be approved through the normal course approval procedure at the University.
3. Existing credit bearing courses, which may be offered through distance education, shall be reviewed by the department and University curriculum committee, which shall each provide its recommendation to the President or his/her designee. Each University shall develop an expedited procedure to complete this review within thirty (30) days. Such procedure shall be reviewed with APSCUF at local meet and discuss prior to implementation.

3. For distance education courses, an appropriate student evaluation instrument shall be developed by local APSCUF, the University management and the appropriate student government body as designated by the President, and approved by local APSCUF and the University management at local meet and discuss. This student evaluation instrument shall be reviewed every three years by local APSCUF, the University management and the appropriate student government body as designated by the President, to ensure its continued effectiveness. The University shall insure that student evaluation instruments are made available to, and completed by, students at all remote sites.

4. Student evaluations and peer evaluation(s) shall be conducted the first time a faculty member teaches an online course and ITV course at his/her university regardless of tenure status and experience in teaching distance education. The results of this initial student evaluation and peer evaluation are not applicable to the faculty member's performance review and evaluation under Article 12. These evaluations shall be shared with the Dean or appropriate manager for the sole purpose of supporting the faculty member's professional growth.

APPENDIX C

1. Seniority normally does not accrue during a period of leave without pay (LWOP), except as specifically provided in this Policy.
2. A regular, full-time faculty member who has taken a partial LWOP prior to fall 1985 shall receive pro-rated seniority credit, if the faculty member was in regular full-time status prior to the leave and completed five or more pay periods during the semester. The pro-rated seniority credit for that semester will be equated to the proportion of the normal workload which the faculty member worked. For example, a faculty member who worked a one-half (1/2) workload and took a one-half (1/2) LWOP would earn one-half (1/2) credit for that semester.
3. Beginning in the fall of 1985, a full seniority credit will be granted for up to eight (8) semesters for any semester that a regular, full-time faculty member is on a full or partial LWOP granted by the President of his/her University.
4. After a regular, full-time faculty member uses his/her allotment of eight (8) seniority credits for eight (8) different semesters of full or partial LWOP as described above, the faculty member will receive a partial seniority credit for any subsequent semester he/she is on a partial LWOP granted by the President of his/her University. Such partial seniority credit shall be calculated pursuant to paragraph 2 of this Section.
5. Beginning in the fall of 1993, any faculty member employed at any State System of Higher Education University, who accepts a leave without pay from his/her institution and then accepts employment as a manager at any of the universities in the State System of Higher Education or the Office of the Chancellor, will accrue one-half (1/2) seniority credit per semester during the time period as a manager.

C. Military Leave--Seniority does accrue during periods of military leave.

Exception: Seniority does accrue for service as State President of APSCUF.

L. Managers Returning to Former Departments

1. Seniority does accrue for all prior time spent in the bargaining unit for a manager who returns to the bargaining unit within three (3) years of his/her appointment to a management position.

2. Seniority does not accrue for the time spent as a manager.

3. A faculty member who has served three (3) or more years as a manager shall begin his/her service in the bargaining unit with no seniority credit. This manager will also receive a date of appointment corresponding to his/her first day on the payroll as a faculty member subsequent to his/her service as a manager and will also receive an appropriate seniority number for that year.

4. Seniority does accrue for service as an acting manager.

M. Resignation--Seniority terminates upon resignation.

- Q. (5)Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.

(6)Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If not, you are responsible for contacting MM&P. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.

(7)Virtual, Retail & Behavioral Health Virtual Vists – the purpose of this benefit is to allow a member to have a virtual visit through the use of secure telecommunications technology. The secure telecommunications technology must provide both audio and video streams. Virtual visits can be conducted for initial, follow-up, or maintenance care. The member's responsibility is the copayment that would normally apply for an in-person primary care, retail or behavioral visit.

(8)Virtual Specialist Office Visit – the purpose of this benefit is to allow a member to have a virtual follow-up visit with a specialist that may be located a significant distance away. The member's responsibility is the copayment that would normally apply for an in-person specialist visit and a fee from the "originating site". The PCP's office or clinic that provides access to the video conferencing equipment may also charge a fee. The originating fee will be applied to the deductible and/or coinsurance as determined by the member's specific benefit plan design.

(9)Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual behavioral health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health/Substance Abuse benefit.

Prescription Drug Program Administrative Changes

Managed Rx Coverage Program

The managed prescription drug coverage (MRxC) program consists of online edits that encourage the safe and effective use of targeted medications to meet the clinical needs of members. To better manage the rising cost of these medications, the MRxC program also promotes the use of lower cost brand and generic medications. Many of the criteria are automated in order to reduce the administrative burden on physicians and to reduce member disruption.

For a listing¹ of medications included in this program, click [here](#).

Managed Prior Authorization Program

Certain medications will require prior authorization to ensure the medical necessity and appropriateness of the prescription order as defined by Highmark prior authorization policies. The member's prescriber must obtain authorization from the Plan, prior to dispensing the medication by a retail pharmacy or through mail order, if applicable, otherwise the medication will not be covered by the Plan.

Step Edit Program

Generic medications can reduce prescription cost, and increase medication adherence while providing the same benefits as the brand name medication. This policy defines the criteria under which coverage for a brand name medication will be considered when generic products are available within the same therapeutic class. Medications targeted in program are used to treat acid reflux, cholesterol, and depression.

STEP EDIT PROGRAM

Generic medications can reduce prescription cost, increase medication adherence while providing the same benefits as the brand name medication. This policy defines the criteria under which coverage for a brand name medication will be considered when generic products are available within the same therapeutic class.

The policy will apply to the following classes:

- Proton pump inhibitors
- HMG-CoA reductase inhibitors (statins)
- Selective serotonin (norepinephrine) reuptake inhibitors (SSRI/SNRI)

This policy will be superseded if the medication requested is included in a separate policy specific to that medication (i.e., prior authorization). Similarly, the formulary status of the medication and other edits may still apply. This policy will only apply to adults 18 years of age and older.

Members who meet the criteria as outlined below will receive automatic authorization at the level of the pharmacy without documentation of additional information:

- When provided as a benefit, coverage for a brand PPI will be approved if:
 - The member has tried and failed any generic PPI within the last 120 days.
- Coverage for a brand statin will be approved if:
 - The member has tried and failed any generic statin within the last 24 months.
- When provided as a benefit, coverage for a brand SSRI/SNRI will be approved if:
 - For new starts, the member must try and fail any generic SSRI/SNRI prior to trying a brand SSRI/SNRI
 - For changes to existing therapy, the member has tried any brand or generic SSRI/SNRI within the last 180 days
