The 2016-17 Graduate Alumni Survey was administered to 99 graduate degree recipients during the spring of 2019 with the goal of capturing overall satisfaction, employment-search experience, post-graduation employment and/or continuing education, and the importance of various skills acquired while a graduate student.

A total of 5 graduate alumni responded to the survey for an overall response rate of 5% and 5 were recipients of a $10 Amazon.com gift card offered by the State System as an incentive for participation. Of those 5 graduate alumni, all respondents were employed full-time.

Of those graduate alumni who were employed and provided employment information, 60% were employed in Pennsylvania.

Of those graduate alumni who provided a location of employment, most are employed in PA.
The education industry employed 80% of the graduate alumni, and the health and/or medical services industry employed 20%.

None of the responding and employed graduate alumni said their occupation is unrelated to their program/area of study, while 60% said their job is directly related to their area of study.
The top five sources for graduate alumni to cover their college expenses excluding Federal and/or State financial aid were from employer-provided funds (40%), graduate assistantships (20%), personal savings (20%), private loans (20%), and off-campus jobs (20%).

Overall, 80% of graduate alumni said they would choose the same university again if they had to do it over, while 80% would choose the same major(s).
