Millersville University of Pennsylvania: 2016-17 Graduate Alumni Survey

The 2016-17 Graduate Alumni Survey was administered to 276 graduate degree recipients during the spring of 2019 with the goal of capturing overall satisfaction, employment-search experience, post-graduation employment and/or continuing education, and the importance of various skills acquired while a graduate student.

A total of 56 graduate alumni responded to the survey for an overall response rate of 20% and 10 were recipients of a $10 Amazon.com gift card offered by the State System as an incentive for participation. Of those 56 graduate alumni, almost 86% were employed full-time, while an additional 2% were employed part-time. Approximately 4% of alumni were enrolled in a program of continuing or graduate education and another 2% were seeking employment.

Of those graduate alumni who were employed and provided employment information, over 88% were employed in Pennsylvania.
The education industry, and social and/or community services industry employed over 81% of graduate alumni. The health and/or medical services industry, and the communication and/or media industry also employed alumni.

Just over 4% of employed graduate alumni said their occupation is unrelated to their program/area of study, while 69% said their job is directly related to their area of study.
The top five sources for graduate alumni to cover their college expenses excluding Federal and/or State financial aid were from personal savings (46%), off-campus jobs (32%), parental/family/friends (23%), employer-provided funds (23%), and graduate assistantships (21%).

Overall, 71% of graduate alumni said they would choose the same university and the same major(s) again if they had to do it over.

71.4% would choose same University
And the same major again if they had to do it over again.
