SUBJECT: Appointment of the Interim President for California University of Pennsylvania

(ACTION)

UNIVERSITIES AFFECTED: California University of Pennsylvania

BACKGROUND: Pursuant to Board of Governors’ Policy 1983-14-A: Appointing Interim and Acting Chief Executive Officers, Ms. Geraldine M. SUBJECT: Nonrepresented Employee Compensation (ACTION)

UNIVERSITIES AFFECTED: All

BACKGROUND: PASSHE’s Board of Governors has approved new collective bargaining agreements for the period of July 1, 2011, through June 30, 2015, for all unionized employees. To align compensation of nonrepresented employees with compensation adjustments that have been consistently applied in these new collective bargaining agreements, it is proposed that a multi-year merit pool be established for nonrepresented employees, similar to the base pay increases established in the ratified collective bargaining agreements. The acting chancellor and university presidents will distribute merit increases to eligible employees based on the prior year’s performance, in accordance with guidelines promulgated by the acting chancellor. In addition, changes to employee health care plans that have been achieved with APSCUF-faculty will be applied to nonrepresented employees.

The Board last authorized compensation adjustments for nonrepresented employees at its October 2010 meeting.

MOTION: That the Board of Governors approve merit pay for nonrepresented employees in accordance with the following.

A. Merit pools for nonrepresented employees are established at the following levels.

<table>

<tr>
<th>Fiscal Year</th>

B. Prior to the determination of merit increases, all nonrepresented employees must have completed evaluations pursuant to Board of Governors’ Policy 1983-01-A: Merit Principles, and presidents must have completed evaluations pursuant to Board of Governors’ Policy 2002-03-A: Evaluating Presidents.

C. Presidents will not receive pay increases in fiscal year 2012/13.
