

When you need to see a Dermatologist

GET CARE FAST —

ADVANTAGES

With online technology, getting medical help for your skin, hair or nails is faster and more convenient than ever.

Teledermatology services like DermatologistOnCall® connect you with board-certified dermatologists in a secure online environment. Get care for yourself or other family members without even leaving home.

COVERED FOR MEMBERS

This easy-to-use service is available to you as a Highmark member. It's covered as a specialist visit and costs \$45 **or less**. Refer to your benefits or call the Member Service number on your member ID card for plan limits and cost sharing. If you already have a dermatologist, check to see if the practice offers teledermatology services like DermatologistOnCall.

- ✓ High-quality care from **anywhere**
- ✓ Convenient, **24/7 access**
- ✓ No need to miss work, school or activities
- ✓ Eliminates long wait for an office visit
- ✓ Saves driving time

HOW IT WORKS

The online service is a great way to get **quality care for thousands of common problems**, such as:

Acne	Eczema	Psoriasis
Athlete's foot	Hives	Ringworm
Chronic hives	Melanoma	Rosacea
Cold sores	Moles	Scabies
Dermatitis	Poison ivy	Shingles

1 CREATE AN ACCOUNT

Visit DermatologistOnCall.com. Choose a dermatologist. Click **Start a Virtual Visit**. Follow the prompts to create an account.

2 UPLOAD PHOTOS

Take photos of your condition. Use a computer or other digital device to upload them to your account. Answer any related questions.

3 TREATMENT PLAN

A board-certified dermatologist reviews your case. In three business days or less, you get a diagnosis and care plan through email. A prescription is sent right to your pharmacy, if needed.
