Policy 1983-25: Student Governor Selection

See Also:

Adopted: July 19, 1983

Amended:

A. Policy

In order to facilitate appointment of student members of the Board of Governors, each university president shall transmit to the chancellor the name of the university's current student association president, term of office, and expected graduation date, together with the student's biographical information, including class and academic standing. The chancellor shall retain the foregoing information for transmittal to the governor at the governor's request.

B. Effective Date

July 19, 1983
