Adopted: September 20, 1983

Amended:

A. Policy

Each university shall develop procedures for the nomination of the student member of its council of trustees, which shall be reviewed and approved by the chancellor. The names of nominees shall be transmitted by the university president to the chancellor 60 days before the graduation of the then-incumbent student member of the council of trustees. The chancellor shall submit the names of the nominees to the governor upon receipt thereof.
