

RFP #2009-QCC-KDA-08: IT EQUIPMENT & HARDWARE

QUALIFIED SUPPLIERS

Last Updated: 5/2/11

All contracts expire on 6/30/15

The Qualified Suppliers listed herein have been awarded contracts for specific applicable product categories. Successful placement on the Qualified Supplier list provides eligible firms with the ability to provide Information Technology Equipment and Hardware on an as needed basis only.

Universities will adhere to the following guidelines when issuing solicitations for written quotations:

[Qualified Collaborative Contract Process](#)

Purchases under \$10,000 are open sourced. Universities may select any supplier from the Qualified Supplier list or select any supplier outside of the Qualified Supplier list.

For purchases between \$10,000 and \$20,000, the University may select any supplier from the Qualified Supplier list.

If the procurement is over \$20,000, all Qualified Suppliers within the applicable category will be eligible to submit a quote. A Request for Quote (RFQ) will be issued and will be posted for at least 3 days on the PASSHE website. Qualified Suppliers are responsible for reviewing the website for open RFQs. Only Qualified Suppliers may submit quotes. If the selection criterion is based on more than just cost (example: favorable delivery terms) the RFQ must state that it is a best value selection. Separate template RFQ forms will be issued depending upon selection criteria (example: cost selection only or best value selection).
