

Counselor Information Day Fact Book

Pennsylvania's
STATE SYSTEM
of Higher Education

Hosted by
PennWest University — Clarion
November 14, 2025

As Pennsylvania's system of state-owned universities, PASSHE comprises 10 institutions across 14 legacy campuses. We are proud to enroll the most in-state students among all four-year universities in the commonwealth. For students and their families, this means:

- A strong, local network with deep roots in Pennsylvania communities.
- The benefit of a close-knit campus environment paired with the resources of a larger university system.

Affordability Advantage

Concern over college costs is a major stressor for families. You can confidently recommend PASSHE universities for their high-quality education at the lowest possible cost to students. That's our mission.

- **Lower Tuition:** Our tuition is over 75% lower than the average four-year university tuition in Pennsylvania.
- **Financial Aid Support:** We help students navigate and maximize financial aid from all sources — including \$150 million in aid from our own universities — making a high-quality degree an attainable investment.
- **Long-Term Value:** Our affordable cost and career focus translate into excellent long-term value, setting students up for success long after graduation.

Career-Focused Programs Advantage

Students are looking for programs that lead to great jobs. PASSHE universities deliver with:

- **Extensive Choices:** Undergraduate programs in 246 academic areas and certificate programs in 238 areas are offered to ensure students can find the right fit for their career goals.
- **In-Demand Skills:** Programs are continually updated to reflect the latest industry trends, and micro-credentials are available to certify specialized skills in emerging job markets.

Student Pathways

Every student's journey is unique. PASSHE universities support students at every stage:

- **Seamless Transfer:** We make it easy for students to transfer credits from a community college or another university.
- **Dual Enrollment Opportunities:** High school students can earn college credit early, giving them a head start and reducing future college costs.
- **First-Year Students:** PASSHE universities offer resources to help with the transition to college life, foster academic and social engagement, and build a strong foundation for future success.

Career-Ready Graduates

Graduating students are prepared for their careers. PASSHE universities emphasize hands-on experience through:

- **Industry Partnerships:** Collaborations with top Pennsylvania employers provide access to invaluable internships, co-ops, and job simulations.
- **Professional Networks:** Students build professional skills and connections that give them a competitive edge in the job market.
- **Leadership and Service:** A wide array of student leadership, service-learning, and club opportunities fosters essential leadership skills.
- **Global Perspectives:** Students can broaden their horizons and gain a global perspective through international study programs.

2025–2026 Tuition & Fees (Undergraduate)

Tuition (Per Semester)

	Resident	Non-Resident
Full-Time (12–18 credits)	\$3,997	\$7,994
Part-Time (<12 credits)	\$333 per credit	\$666 per credit
Scholarships		Good Neighbor –\$1,399 / Pres. –\$1,998

Fees

Fee Type	Details	Part-Time
General Fee	\$1,355 / semester (full-time)	\$113 per credit
Technology Fee	\$248 resident / \$377 non-resident	\$21 resident / \$31 non-resident
Enrollment Fee	\$250 (one-time, non-refundable)	

Housing (Per Semester)

Housing Option	Rate
LLC Single	\$4,012
LLC Double	\$3,574
LLC Triple	\$3,136
Humphreys	\$3,895
Emlen Double	\$3,574
Emlen Triple/Quad	\$3,136
Tubman Single	\$2,500
Tubman Double	\$2,000

Meal Plans (Per Semester)

Meal Plan	Rate
19 Meal Plan	\$1,934 (required for 1st year residents)
14 Meal Plan	\$1,727
10 Meal Plan	\$1,240
5 Meal Plan	\$627

Notes

- All fees subject to change.
- General Fee applies to all students (full-time, part-time, resident, commuter).
- Housing available only for full-time students (12+ credits).

The world is rapidly changing and now is your chance to be among the pioneers of a new type of traditional campus- based higher education — an approach that’s perfectly suited for your generation. It’s adaptable. It’s customizable.

We’re building a more affordable, student-centered academic powerhouse where the leading programs of our legacy institutions not only remain but grow even stronger. ***Dare to Be Uncommon at Commonwealth University.***

Consistently rated among the best values in the nation, CU merit scholarships support students in their education goals. View current costs, scholarship amounts and financial aid information at www.commonwealthu.edu/scholarships

Unique Majors: Aeronautical Science, Game Programming, Mechatronics, Medical Imaging, Media Arts (Animation, Digital Filmmaking and Photography), Veterinary Technology

Academics: [PENNWEST.EDU/ACADEMICS](https://pennwest.edu/academics)

Scholarships: PennWest offers a very competitive [scholarship program](#), with freshman awards ranging from \$2,000-\$4,000 per year (renewable) and more!

Dual Enrollment: Our [dual enrollment](#) program is flourishing – up 270% from last year, a new reduced rate, more courses, and a simplified application process.

Honors Program: Exceptional [honors](#) opportunities and scholarships await academically talented students.

Campus Updates:

- PennWest earned a new Carnegie Classification as a Professions-Focused University, underscoring our commitment to career-centered academics and strong partnerships.
- Three new academic schools in Education, Business, and Nursing strengthen our academic integrity and regional impact.
- Institutional accreditation was reaffirmed by the Middle States Commission on Higher Education.
- Nearly \$400K awarded by the PA Department of Labor & Industry will fund a statewide Deaf Education Apprenticeship Program.
- Four transfer students were named to the prestigious 2025 All-American Academic Team.
- California campus broke ground on a \$39M Science Center, opening early 2027.
- Clarion hosted SAG-AFTRA President, award-winning actor and mental health advocate Sean Astin.
- Edinboro celebrated 50 years of nationally recognized disability support services.
- New athletic programs launched: women's flag football (California), and women's golf and wrestling (Edinboro).
- Campuses earned top rankings from Niche.com, with California ranked #4 among PA publics, while Clarion and Edinboro also shine for exceptional housing and athletics.
- PennWest proudly announced the launch of the Experiential Learning Center to enhance learning opportunities.
