NOTICE FOR RESIDENTS OF MISSISSIPPI

If You reside in Mississippi, note the following claims procedures for Accidental Death and Dismemberment Benefits:

FILING A CLAIM FOR ACCIDENTAL DEATH AND DISMEMBERMENT BENEFITS

When there has been a Covered Loss, notify the Recordkeeper. For the purpose of this section, the Recordkeeper is the party designated by the Policyholder to maintain certain records needed to administer the insurance provided under this certificate. This notice should be given to the Recordkeeper as soon as is reasonably possible but in any case, within 30 days of the Covered Loss.

The Recordkeeper will notify Us and a claim form will be sent to You or the beneficiary or beneficiaries of record.

The claim form should be completed and sent along with Proof of the Covered Loss to Us as instructed on the claim form. If You or the beneficiary have not received a claim form within 15 days of giving notice of the claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

The claimant must give us Proof no later than 90 days after the date of the Covered Loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice or Proof are given as soon as is reasonably possible.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy. If Your claim is a Clean Claim We will pay benefits within twenty five (25) days after receipt of such Proof of a Covered Loss in an electronic form, or within 35 days after receipt of Proof of a Covered Loss in a paper format. Any benefit due and not paid within the respective 25 day or 35 day time period for Clean Claims of our receipt of Proof will accrue interest at the rate of three percent (3%) per month on the amount due, until the claim is finally settled or adjudicated.

“Clean Claim” means a claim that:

- does not require further information, adjustment or alteration by You or Physician in order for MetLife to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; or
- does not involve a particular circumstance requiring special treatment that substantially prevents timely payments from being made on the claim.

Errors, such as system errors, attributable to Us, do not change the Clean Claim status.

A Clean Claim does not include a claim submitted more than 30 days after the Covered Loss; claims which are submitted fraudulently or that are based upon material misrepresentations.

In the event the We fail to pay benefits when due, the person entitled to such benefits may bring action to recover such benefits, any interest which may accrue as provided by law and any other damages as may be allowable by law. If it is determined in such action that We acted in bad faith as evidenced by a repeated or deliberate pattern of failing to pay benefits and/or claims when due, the person entitled to such benefits (health care provider or insured) shall be entitled to recover damages in an amount up to three (3) times the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

Routine Questions on Accidental Death and Dismemberment Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

NOTICE FOR RESIDENTS OF NEW MEXICO

If a Child is insured for Accidental Death and Dismemberment Insurance under this certificate and You are not the custodial parent, notify Us that such is the case and provide Us with the name and address of the custodial parent. After receipt of such notice We will:

- (1) provide such information to the custodial parent as may be necessary for the Child to obtain benefits through that insurance;
- (2) permit the custodial parent or the provider, with the custodial parent's approval, to submit claims for covered services without the approval of the non-custodial parent; and
- (3) make payments on claims submitted in accordance with Paragraph (2) of this subsection directly to the custodial parent, the provider or the state Medicaid agency.

If You are required by a court or administrative order to provide Accidental Death and Dismemberment Insurance for a Child, and You are eligible to provide such insurance for that child, We will:

- (1) permit You to enroll a Child who is otherwise eligible for such insurance without regard to any enrollment season restrictions;
- (2) if You are enrolled but fail to make application to obtain insurance for such Child, We will enroll the Child for insurance upon application of the Child's other parent, the state agency administering the Medicaid program or the state agency administering 42 U.S.C. Sections 651 through 669, the child support enforcement program; and
- (3) We will not disenroll or eliminate insurance for such Child unless the insurer is provided satisfactory written evidence that:
 - (a) the court or administrative order is no longer in effect; or
 - (b) the Child is or will be enrolled in comparable health insurance through another insurer that will take effect not later than the effective date of disenrollment.

We will not impose requirements on a state agency that has been assigned the rights of an individual eligible for medical assistance under the Medicaid program and insured for Accidental Death and Dismemberment Insurance with Us that are different from requirements applicable to an agent or assignee of any other individual so insured.

Accidental Death and Dismemberment Insurance for a Dependent Child may be continued past the age limit if that Child is a full-time student and insurance ends due to the Child being ordered to active duty (other than active duty for training) for 30 or more consecutive days as a member of the Pennsylvania National Guard or a Reserve Component of the Armed Forces of the United States.

Insurance will continue if such Child:

- re-enrolls as a full-time student at an accredited school, college or university that is licensed in the jurisdiction where it is located;
- re-enrolls for the first term or semester, beginning 60 or more days from the child's release from active duty;
- continues to qualify as a Child, except for the age limit; and
- submits the required Proof of the child's active duty in the National Guard or a Reserve Component of the United States Armed Forces.

Subject to the Date Insurance For Your Dependents Ends subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, this continuation will continue until the earliest of the date:

- the insurance has been continued for a period of time equal to the duration of the child's service on active duty; or
- the child is no longer a full-time student.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a **brief summary** of the Utah Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Accident and Health Insurance
 - o \$500,000 for health benefit plans
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to health benefit plans.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

Benefits provided by a long-term care rider to a life insurance or annuity contract shall be considered the same type of benefit as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, please visit the Association's website at www.ulhiga.org or contact:
