

The 2024 W-2 forms have been generated for all active and terminated Pennsylvania State System of Higher Education employees who had taxable wages in calendar year 2024. Those enrolled in the electronic W2 should now be able to view and print via Employee Self Service. We are anticipating the mailing of W2s within the next 10 days (from ADP) for those who are terminated or elected to receive a paper copy. The forms were mailed to each employee's most recent Mailing or Permanent Residence address on file in the Human Capital Management (HCM) system.

The 2024 W-2 form consists of four parts. Copy C of the W-2 form is for the employee's personal records, Copy B is for the employee's Federal tax return, the first sheet of Copy 2 is for the employee's State tax return, while the second sheet of Copy 2 is for the employee's Local tax return. **The 2024 W-2 form is an official tax document, and it should be retained by all active and terminated employees.** The Internal Revenue Service (IRS) requires employers to retain this document for four years.

Employees should verify the Social Security Number, Name, and Address reported on the W-2 form, as this is the information that will be sent to the Social Security Administration (SSA) and the IRS. Any discrepancies in social security number and/or name should be reported **immediately** so we can notify the proper agencies. Please note, employee names should be the same in the HCM system as they are on the employee's social security card for the employee to receive proper credit for the earnings reported in calendar year 2024.
