

Important Health Care Coverage Notification

The Women's Health and Cancer Rights Act requires that health care plan members receive annual notification of the coverage provided for mastectomy patients who elect reconstructive surgery.

Your PASSHE Group Health Plan coverage provides benefits for reconstruction of the breast on which the mastectomy is performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications for all states of mastectomy, including lymphedemas. These services are elective and should be chosen by consulting your physician. Benefits are subject to any deductible and co-insurance provisions.
